**Re: Sponsorship towards the purpose of Reach for Life no Regrets**

On behalf of Reach for Life no Regrets and our team, I would like to sincerely thank you for the generous donations made towards the purpose of our work. Reach for Life no Regrets is a small organisation, purpose driven by a few passionate, faithful people. We continue to have very little overheads and our office remains every school or youth centre we adopt. All resources are invested directly into the purpose and mission of our organisation; regeneration of the minds of young people to ultimately fulfil the purpose they were created for. Your sponsorship has directly been invested into assisting our organisation to effectively drive the purpose of Reach for Life no Regrets. One of our biggest challenges that we face this year is to remain effective and sustainable in the many schools and centres we adopted. Please have a look at our website, [www.reachforlifeno regrets.co.za](http://www.reachforlifeno regrets.co.za) and you will note that we are involved in over 48 schools and centres in Gauteng alone. The work in the Cape is growing and as we train and empower others to run with the vision for moral regeneration, our commitments and challenges parallel the growth. I pray that God will strengthen us to persevere in what He has called us to do for 2012. May we step out in courage and may you be proud of the necessary difference we will make in every area where we are called to invest the purpose of Reach for Life no Regrets.

Thanking you sincerely.

Kind regards

Margaret Janeke
